

*Please note that the company webpage we work with is called www.sanmar.com . Even though there are hundreds of pieces of apparel available, we narrowed it down to the top items that have plenty of availability and affordability. The price range on every item listed below will differ at times based on the following areas; sizing, design, colors, custom names and specific printing requested). Every piece listed below comes in a wide selection of colors including all our main district colors. All you need to do is look up the webpage and input the SKU information listed below to see complimentary shirt color choices. Please note that supply and demand may impact product availability at times; nonetheless we will do our best to find a quality like-item from the webpage that will keep you in the same price range (our guarantee). We have our company web page listed as follows for easy access of the items listed below. [The Pack Products | RGV DECALS & IRON-ON](#)
